

Girl Day™

at UT Austin

*Introduce a Girl to Engineering Day
& the Girl Day STEM Festival*

2016 Introduce a Girl to Engineering Day is presented by Halliburton & the Girl Day STEM Festival presented by Google. Thank you to our building sponsors BASF, Intel, and Marathon Oil. And thank you to all our Girl Day partners: 3M, AMD, Applied Materials, Chevron, ConocoPhillips, Emerson Process Management, ExxonMobil, Fluor, GivePulse, Homeaway, IBM, iFly, National Instruments, NXP Semiconductors, and The Scholar Ship!

**Where: Cockrell School of
Engineering and Natural
Sciences**

**When: Saturday, February 27,
12-4pm**

If you attend, have your child fill out the following form in order to receive a STEM Fair spirit stick!

<https://goo.gl/jnBkUv>

Join Mrs. Sandobal, Mrs. Houser, and Mrs. Perkins (just to name a few) at the UT Engineering STEM Festival JUST FOR GIRLS (boys can attend too).

It's a free event, so REGISTER today!
